

“She’s Leaving Home” by The Beatles

Wednesday morning at five o'clock as the day begins
Silently closing her bedroom door
Leaving the note that she hoped would say more
She goes downstairs to the kitchen clutching her handkerchief
Quietly turning the backdoor key
Stepping outside she is free.

She (We gave her most of our lives)
is leaving (_____ most of our lives)
home (We gave her everything money could _____)
She's leaving home after living _____
For so many years. Bye, bye

Father snores as his wife _____ her dressing gown
_____ the letter that's lying there
Standing alone at the top of the stairs
She _____ and cries to her husband Daddy our baby's gone
Why would she treat us so _____?
How could she do this to me?

She (We never thought of ourselves)
is leaving (Never a thought for ourselves)
home (We struggled hard all our lives to _____)
She's leaving home after living _____
For so many years. Bye, bye

Friday morning at _____ o'clock she is far away
Waiting to keep the _____ she made
Meeting a man from the _____ trade.

She (What did we do that was _____?)
is having (We didn't know it was _____)
fun (Fun is the one thing that money can't buy)
Something inside that was always _____
For so many years. Bye, bye
She's leaving home. Bye, bye

- Why do you think she is clutching her handkerchief?
- How do her parents feel?
- How do you think she feels?
- Why did she leave home?
- How old do you think she is?
- Where do you think she went?
- How do her parents know she's left?
